Dear Coby,

Thank you so much for your donation which will be forwarded to BAWA.

Your donation will make such a positive impact in the lives of many animals in Bali. BAWA works hard to provide as much life-saving support, care, food, and medical treatment as they can to countless animals around Bali.

As a non-government funded organisation, all of BAWA's work is powered by donations and it is only thanks to the incredible support of compassionate and generous people like you that they are able to do this.

With this one simple gesture, you have made an instant difference and we appreciate your kindness more than you know, and we are so grateful to have you with us on our mission to make Bali a better place for the animals.

Your receipt is attached with deepest gratitude.

With kind regards,

Paula Hodgson  
Secretary  
Bali Street Dog Fund
