Dear Coby,

Thank you so much for your donation which will be forwarded to BAWA.

BAWA works hard to provide as much life-saving support, care, food, and medical treatment as they can to countless animals around Bali. As a non-government funded organisation, it is only thanks to the incredible support of compassionate and generous people like you that they are able to do this.

With this one simple gesture, you have made such an instant difference in so many lives, and we appreciate your kindness more than you know.

Your receipt is attached with deepest gratitude.

With kind regards,

Paula Hodgson  
Secretary  
Bali Street Dog Fund
